Think Ahead, Move Ahead

AVONBANK PROJECT

Webinar No. 6 – Potential Impacts Related to Radiation

WEDNESDAY, 15TH SEPTEMBER 2021
7:00 pm – 8:00 pm

Join WIM Resource for the next Avonbank Project webinar on Wednesday, 15th September. Learn more about radiation from an industry expert and the WIM team as they discuss the results of the Impact Assessment and answer your questions.

Everyone is encouraged to attend by registering via the link here, on our website, or Facebook page. For those unable to attend, the webinar will be recorded. For more information, please contact Murray Wilson at mwilson@wimresource.com.au or free call 1800 959 298.
