TUESDAY, 23 NOVEMBER
 Brimpaen Hall

WEDNESDAY, 24 NOVEMBER
 Wonwondah Hall

THURSDAY, 25 NOVEMBER
 Laharum Hall

All sessions are from
 7:30pm – 9:00pm

STAVELY BLOCK 10 PROJECT COMMUNITY INFORMATION SESSION

NOVEMBER 2021

PRE-REGISTRATION ESSENTIAL

WIM Resource Pty Ltd (WIM) owns several exploration projects in Victoria and has an office in Horsham. WIM was granted the right to explore Stavelly Block 10 (EL 6873) for copper, gold, and other prospective metals.

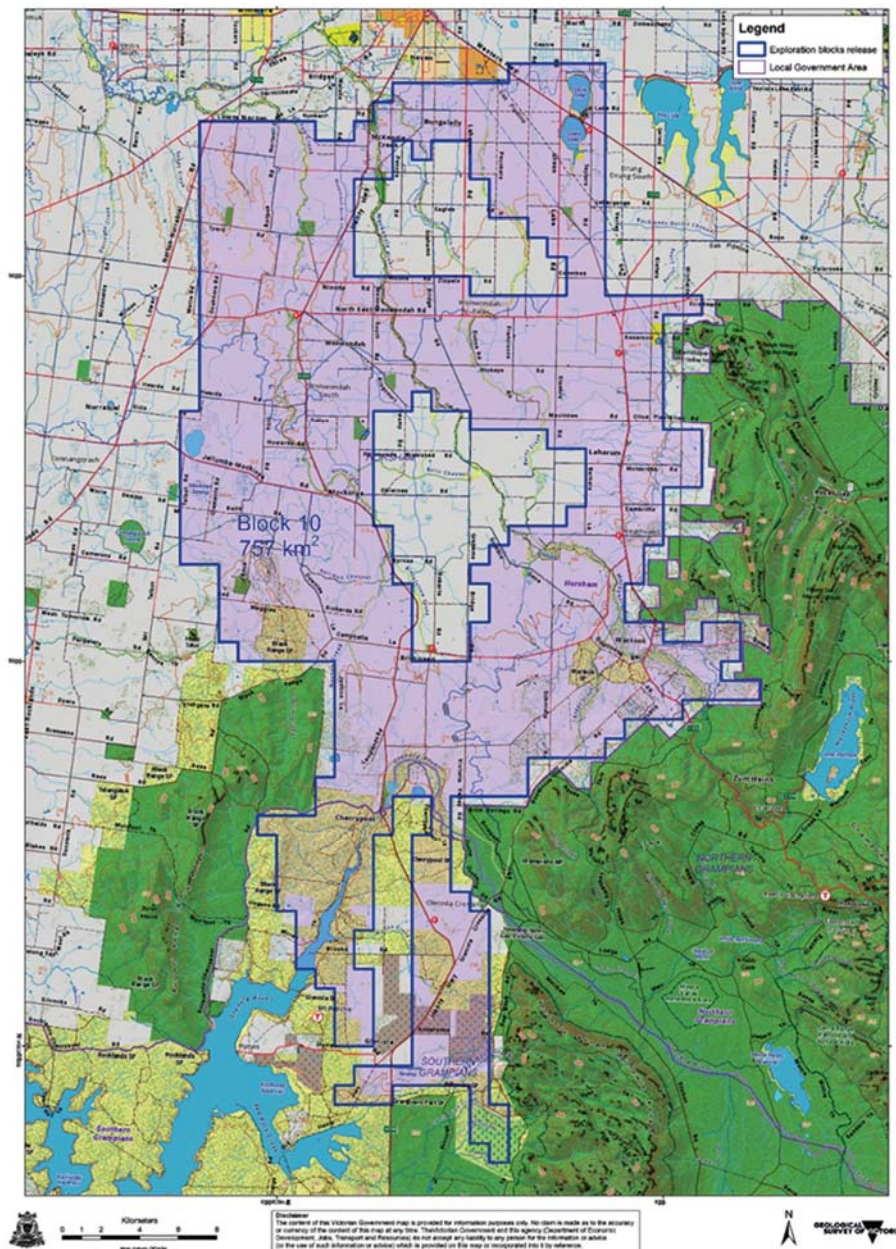

Exploration during early-mid 2021 included drilling and an airborne magnetic survey. Further exploration is planned for early 2022 including more drilling and a ground gravity geophysics program all of which is low impact in nature.

WIM will be holding three community information sessions in late November 2021 to provide more information on the exploration program and work completed to date. There will be an opportunity to discuss the program with the Project Manager, David Jelley. Everyone is encouraged to attend. Pre-registration is required and Covid-19 restrictions apply.

Air Core Drilling – Brimpaen

Pre-register by contacting
 David Jelley Mob: 0408 731 338
djelley@wimresource.com.au
 or Murray Wilson Mob: 0429 812 603
mwilson@wimresource.com.au
