AVONBANK PROJECT

Webinar No. 4 – Transport

WEDNESDAY, 14TH JULY 2021
7:00 pm – 8:00 pm

WIM Resource Pty Ltd (WIM) is hosting its fourth Avonbank Project webinar. Join us online to learn more about the proposed modes of transport for the project. This will focus on the construction and operational stages of the project at the mine site and port end.

Everyone is encouraged to attend. For those unable to attend, the webinar will be recorded and uploaded to our website. For more information, please contact Michael Davies at mdavies@wimresource.com.au or free call 1800 959 298.
